SOFTWARE TO GO ®

SOFTWARE TO GO ®

MAINTAINING YOUR COMPUTER

QUARTERLY MAINTENANCE
PREVENTS PROBLEMS
BEFORE THEY START

LET SOFTWARE TO GO
HANDLE YOUR TECHNOLOGY,
SO YOU CAN CONCENTRATE
ON YOUR BUSINESS.

The computer crashed….. Again !

How many times has your computer crashed, had a virus, lost a file or slowed down for no apparent reason?

What are you going to do about the lost productivity? Time is money and you're losing both by the minute!

Software To Go has your solution.

Computers need tune-ups just like automobiles. An experienced technician will keep your business computers tuned up four times a year for just $149.95 per computer. That is a very small price to pay for NO MORE WORRIES.

Quarterly Maintenance lets you be more productive and profitable. Your technology should be working for you instead you working for your technology.

Our technicians perform their jobs transparently as possible causing little or no business interruption.

Software To Go, centrally located in St. Peters, will be there when you need us for maintenance or repair.

Think of us as your own IT Department

Since 1983, Software To Go has been caring for computers.

The Computer is sick again!!!

Quarterly Preventative Maintenance for Small Business
